FEDERAL COMMUNICATIONS COMMISSION

47 CFR Part 101

[WT Docket No. 94-148 and CC Docket No. 93-2; DA 98-349]

Conditional Authorization Authority to Common Carrier and Private Operational Fixed Microwave Services; Correction

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction.

SUMMARY: This document corrects portions of the Supplementary Information that was published in the **Federal Register** of March 5, 1998 (63 FR 10778).

EFFECTIVE DATE: March 24, 1998.

FOR FURTHER INFORMATION CONTACT: Shaun Maher of the Commission's Wireless Telecommunications Bureau at (202) 418-0680.

SUPPLEMENTARY INFORMATION: The Federal Communications Commission published a document amending § 101.31(e) of the Commission's rules to provide for conditional authorization in the 10.6-10.68 GHz band ("10 GHz band") under certain circumstances in the **Federal Register** of March 5, 1998, (63 FR 10778). This document corrects the Supplementary Information to give a brief statement of the reasons for expediting the effective date of § 101.31(e). In FR Doc. 98-5465, published on March 5, 1998, (63 FR 10778) make the following correction:

On page 10779, a new paragraph 5 is added and paragraphs 5 and 6 are redesignated as 6 and 7 to read as follows:

5. We believe that the public interest will be served by permitting microwave licensees in the 10 GHz band to avail themselves of conditional authorization authority at the earliest opportunity. Our decision here will allow for more rapid delivery of 10 GHz band microwave services to the marketplace. Because this rule modification will make the authorization process less restrictive, we, for good cause find that public notice and comment are unnecessary and contrary to the public interest. We also believe that 30-day advance publication of this amendment is likewise unnecessary and contrary to

the public interest. Thus, we shall make this amendment effective upon publication of this Order in the **Federal Register**. In addition, entities with 10 GHz band applications pending when this Order becomes effective may implement conditional authorization authority in accordance with Section 101.31 as amended herein.

[CC Docket No. 92-297; FCC 98-15]

Reconsideration of the Rules and Policies for Local Multipoint Distribution Service; Correction.

AGENCY: Federal Communications Commission.

ACTION: Final rule; correction.

SUMMARY: The Commission published in the **Federal Register** on February 25, 1998, a Third Order on Reconsideration (Third Reconsideration Order) in the Local Multipoint Distribution Service (LMDS) proceeding. The final rules included a date by which certain dismissed applications are permitted to be refiled. The date inadvertently was miscalculated and was misstated in various sections of the rules. This document corrects the date in the final rules.

EFFECTIVE DATE: March 24, 1998.

FOR FURTHER INFORMATION CONTACT: Barbara Reideler or Jay Whaley, 202-418-1310.

SUPPLEMENTARY INFORMATION: The Commission published a Third Reconsideration Order in the **Federal Register** on February 25, 1998 (63 FR 9443, FR Doc. 98-4750), to be effective on April 27, 1998. The final rules included a date by which certain dismissed applications are permitted to be refiled under the terms and conditions of the Third Reconsideration Order. The date inadvertently was calculated as of 60 days from publication in the **Federal Register**, rather than 60 days from the effective date of the Third Reconsideration Order, which was the date adopted by the

Commission in the Third Reconsideration Order. The incorrect date was published in several sections of the final rules. This document corrects the final rules to conform the date with the Third Reconsideration Order, thereby changing the date from April 27, 1998, to June 26, 1998.

On page 9448, in the final rules, correct the references to April 27, 1998, to read June 26, 1998, as follows:

1. Column 1, § 101.57, paragraph (a)(1)(ii)(B), line 4.
2. Column 2, § 101.103, paragraph (b)(3), line 4.
3. Column 2, § 101.107, paragraph (a), footnote 8, line 5.
4. Column 2, § 101.113, paragraph (a), footnote 8, line 5.
5. Column 3, § 101.147, paragraph (a), footnote 16, line 5.
6. Column 3, § 101.147, introductory text of paragraph (u), line 10.
7. Column 3, § 101.803, paragraph (a), footnote 7, lines 5 and 11.
8. Column 3, § 101.803, paragraph (d), footnote 9, lines 5 and 11.

Contract Financing

AGENCY: Office of Procurement, Contract Management Division, National Aeronautics and Space Administration (NASA).

ACTION: Final rule.

SUMMARY: This final rule revises several subparts in NASA's Federal Acquisition Regulation Supplement (NFS). This rule updates the designated points of responsibility to reflect the transfer of the finance policy function within the Headquarters Office of Procurement. This rule also provides clarification to ease the use of the NFS and reflects the extension of certain Agency class deviations.

EFFECTIVE DATE: March 24, 1998.

FOR FURTHER INFORMATION CONTACT: Mr. Joseph Le Cren, Telephone: (202) 358-0444.

SUPPLEMENTARY INFORMATION:

Background

The NASA Office of Procurement has undergone reorganization, resulting in the transfer of the policy responsibility
